

Strengthening Communication Skills: File Access Instructions

Via the Project Website

1. Visit the project website at <https://scicomm.tamu.edu/home/projects/strengthening-students-communications-skills/>
2. Click on module titles to access materials via the TAMU Libraries OAKTrust website.

Via the OAKTrust Repository

1. Visit OAKtrust.library.tamu.edu
2. Go to Faculty Teaching Materials
3. Search for materials:
 - a. by Author: Holli Leggette, Theresa Murphrey, Shannon Norris, or Audra Richburg
 - b. by Title: Asking Effective Questions, Communicating Accurately and Concisely, Communicating Appropriately and Professionally using Social Media, Communicating in Writing, Communicating Orally, Communicating Pleasantly and Professionally, Listening Effectively
 - c. by Subject: Communication, Agriculture

Once you have located the page for the module you want to use, click the file names to open in a new window/tab, then save or print as desired.

For Online Module files, you must right-click, then “Save As” to your computer. The entire zipped file must be uploaded to your LMS or SCORM module player to work properly.
